EXPERIENCE

Emerging Technologies Librarian

Appalachian State University Library; Boone, NC

July 2016-present

- Support student learning in makerspace technologies
- Create and teach instruction sessions and programs
- Lead technology oriented outreach activities for the Appalachian community

Assessment & User Experience, and Research and Instructional Services Intern

Duke University Libraries; Durham, NC

January 2016-May 2016

- Assessed physical spaces such as The Edge
- Assessed online resources such as LibGuides and the Duke University Libraries website
- Performed usability and observational studies
- Collaborated on special projects between AUX and RIS departments

Research Assistant on the Alt-Textbook Project

NC State University College of Natural Resources; Raleigh, North Carolina

August 2015-2016

- Collected Open Educational Resources (OER) for the Parks and Recreation Diversity course
- Worked closely with a faculty member Janell Moretz in the College of Natural Resources
- Developed knowledge of OER databases and Open Access
- Expanded knowledge of scholarly communication and copyright law

Graduate Research Assistant

Park Library at UNC School of Media and Journalism; Chapel Hill, NC

January 2015-May 2016

- Created LibGuides and taught media and journalism specific classes
- Designed training videos for the Bloomberg terminal
- Assisted with redesign and migration of the Park Library website from Drupal to Wordpress
- Trained and assisted in management of student workers
- Prepared interlibrary loan requests, circulation, fines, and staff scheduling

Instruction and Reference Intern

NCSU Libraries; Raleigh, North Carolina

August 2014-May 2016

- Taught information literacy to first year undergraduate students
- Provided reference help both in person and through the Library3lp chat service
- Lead mobile scavenger hunts that combine technology and library resources
- Assisted with various outreach programs, including Long Night Against Procrastination in collaboration with the Writing Center, March Madness with Special Collections, end of semester Stress Busters with User Experience, and e-textiles workshops with the Makerspace program.

Digital Media Assistant

NCSU Libraries; Raleigh, North Carolina

July 2013- August 2014

- Assisted patrons with Adobe Creative Suite, iMovie, Audacity, and basic computer troubleshooting
- Taught software programs one-on-one and to small groups
- Worked with a graduate class to create multimodal projects using WordPress and iMovie

VOLUNTEER EXPERIENCE

WiderNet TechnoSaturdays

Durham County Libraries 2016

- Taught underprivileged children about technology; Makey Makey, Kano Kits, Arduino

Community Workshop Series

Chapel Hill and Carrboro Public Libraries 2015

- Instructed adult classes on Microsoft Office weekly

Library Volunteer

Greensboro Public Library; Greensboro, North Carolina 2012

- Learned about the basic operations and procedures of a large, urban public library system
